The Pauline Fathers & Brothers

Wish to thank the members of the
2015 Festival Committee and all the Festival Volunteers
for their dedication, hard work & support in organizing the
50th Annual Polish-American Family Festival and Country Fair.

We also wish to thank all the Festival Volunteers,
who made a commitment and dedicated their time
during the past 50 years to make the Annual Festival possible!

We remember in prayer all those Volunteers who have already passed.
Be assured that you will remain in our hearts and memories.

Without all of YOU,
there would be no festival!

THANK YOU!

The Committee for the 2015 Polish American Family Festival & Country Fair

*wishes to express its sincere appreciation to the following Companies
& individuals for their generous donation of products, equipment, services
and support for this year's Festival.*

Polish-American Family Festival & Country Fair 1966 - 2015

The 'original' festival was a simple picnic that was held by volunteers, their families and friends during the year of the Shrine's dedication. As a good time had by all at this event, it inspired its continuation and expansion for the following year. The Festival was the brainchild of Dr. Raymond Chase and his wife, Virginia along with Father Michael Zembruski, the founder of the Shrine. Their idea was to create an ethnic celebration combined with an old-fashioned country fair.

Back then, events of this type were not the norm, so despite the hard work of many volunteers, questions remained as to its success. Doubts were quickly allayed when thousands of people arrived to join in the festivities at this relatively unknown shrine. Pennsylvania State Police had to be called in to handle the miles-

long traffic jams. Brother (now Father) Edward Volz, who was responsible for food service, could hardly keep up with the overwhelming demand for kielbasa sandwiches. No hot dogs were served!

The festival included a professional art exhibit of Polish artists, which graced the walls of a historic Bucks County barn located on the shrine grounds. In the background, strains of Chopin works could be heard continuously played on an Aeolian grand player piano. Noted helicopter aviation pioneer and *National Medal of Technology and Innovation* recipient, **Mr. Frank Piasecki**, graciously donated a helicopter to give rides to excited guests. The lively beat of the **Polish-American String Band** had many visitors toe tapping and has remained a regular event each year.

The original festival was simply called the Annual Festival and Country Fair. But in the second year, it was renamed the Polish Festival and Country Fair, and was moved to the upper grounds where the new Shrine basilica had been built. To better accommodate the ever-increasing number of visitors, several years later the festival dates were expanded to include a second weekend. Still later, the name was shortened to simply the Polish-American Festival. To call attention to its Polish American origin and to emphasize the family nature of the festival, in 2010 we have again renamed it, now calling it the **Polish American Family Festival and Country Fair**.

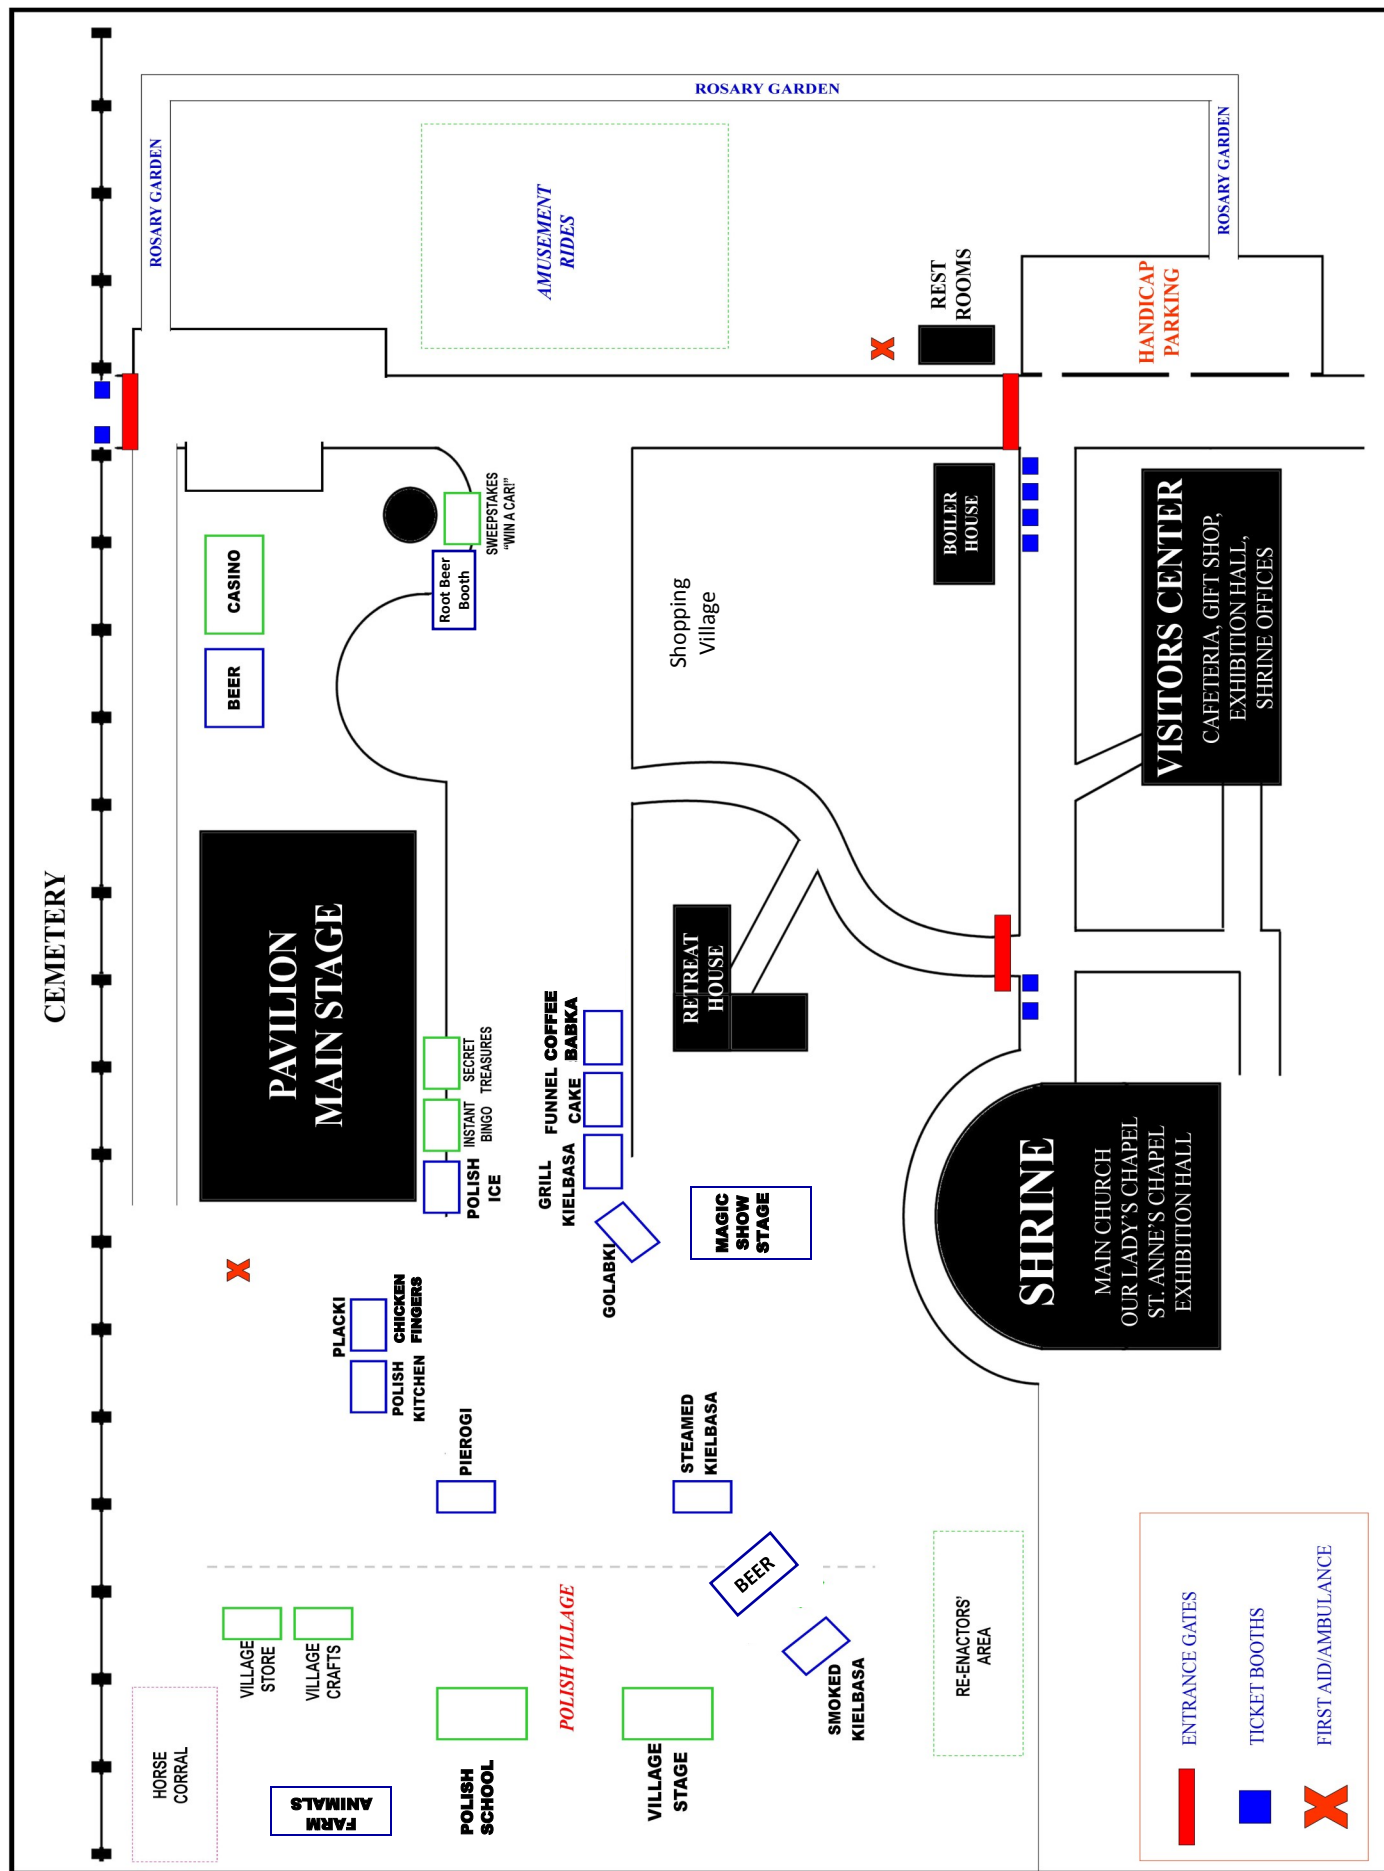

One of our most notable visitors over the years was **President Ronald Reagan**, who enjoyed a Placki (Potato Pancakes) on the festival grounds

Many individuals continue to volunteer innumerable hours to create this festival which is one of the oldest and largest ethnic events of its kind... Some of the current volunteers are 2nd or 3rd generation. Over the years the festival has grown in its offering but the same basic format remains: to create a cultural and fun atmosphere for the entire family, charge fair prices and treat every visitor as a guest.

We trust that the time that you spend with us will provide you with long lasting memories.

The Banner of Jasna Góra

The **Banner of Jasna Góra** is a living history/educational group which portrays the Polish Lithuanian Commonwealth during the 17th Century. Nominally based at the National Shrine of Our Lady of Czestochowa in Doylestown, we portray both military and civilian aspects of Polish society during that period. We are also affiliated with the Sienkiewicz Society and the Czarniecki Division.

We are available to provide living history demonstrations as well as displays and lectures on the history of the Polish Lithuanian Commonwealth for schools and cultural and civic organizations. To contact us, please contact Richard Golazeski at rlgol613@aol.com or by phone (732) 249-0983.
